MESSAGE FROM THE DIRECTOR

During this centennial year, it is my pleasure to present the 1989 Montana Grain Traffic Statistics publication. Information pertaining to our state's grain marketing and transportation network make this publication a vital element of Montana's agricultural industry. Information contained within previous annual publications has been used to provide significant benefit to our state's grain producers.

Montana's Grain Movement Summary has been recognized nationally as being the best such publication in the country and is used as a model in other states. We have further improved this year's publication through graphic illustration that facilitates better interpretation of Montana's grain traffic patterns.

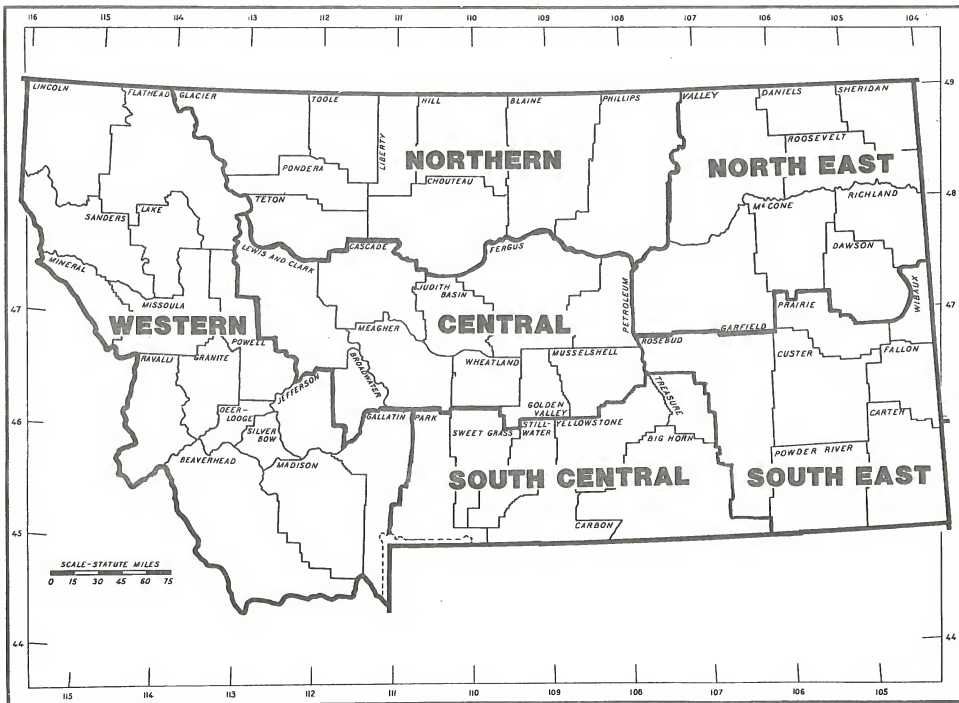

It is my belief that the Grain Traffic Statistics publication will continue to be a valuable asset to the grain producer and marketer. This information is necessary to provide for informed and profitable marketing and transportation decisions as we enter into the 1990's and our state's next 100 years.

Sincerely,

A handwritten signature in cursive script, appearing to read "Everett".

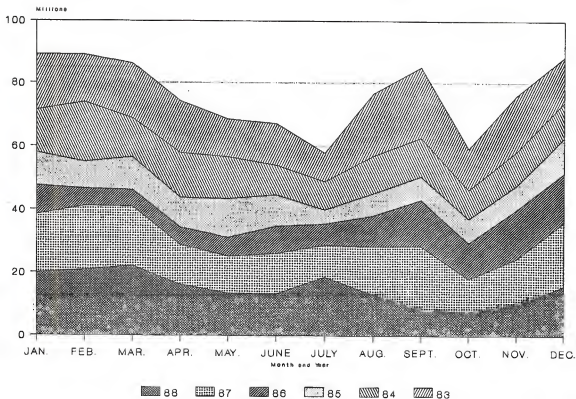

E. M. Snortland
Director
